Professional Liability

Protect Your Practice: Designed to safeguard home healthcare professionals, including caregivers, nurses, and personal aides, against liability claims.

▶ Coverage Limits

Flexible coverage limits available based on your practice needs.

▶ Who We Cover

Home health aides, personal care companions, nursing assistants, and licensed nurses, including RNs and LPNs.

Businessowners Policy

▶ Commercial Property Insurance

Protects your equipment and practice property, whether owned, leased, or rented, against risks like fire or water damage.

▶ General Liability Coverage

Helps protect against liability claims arising from normal operations, such as injuries at your business location.

▶ Cyber Insurance

Offers coverage for your practice in case of accidental breaches or cyber-attacks that could compromise sensitive patient information.

▶ Employment-Related Practices Liability Insurance

Optional coverage that helps protect against employee-related claims involving hiring, termination, and other HR issues.

Specialized Coverage Enhancements

► Health Care Services VIEW Endorsement

Recognizes that home healthcare operations have specific coverage needs and offers increased limits for theft of clients' property, franchise property requirements, lock & key replacements, forgery, personal effects, and more.

► Protection Plus or Protection Elite Endorsements

Offer tailored coverages and limits to meet the demands of the business. Coverage options include employee dishonesty, valuable papers and records, business income from dependent properties, permanent outdoor structures, money and securities, newly acquired or constructed properties, spoilage, and more.
