

In-Home Hospice Professionals

Insurance Solutions Built for In-Home Hospice Providers

PM Healthcare Protect policies offer in-home hospice business owners specialized insurance solutions to fit their unique needs. We understand the risks and are committed to protecting your financial future.

Why PM Healthcare Protect?

Insurance solutions designed for those who care for us in our communities.

- ▶ Comprehensive coverage options from a carrier with over 115 years in the healthcare industry.
- ▶ Expertise from experienced underwriters, risk management professionals, and claims professionals.
- ▶ On-staff medical professionals with experience protecting healthcare businesses.

Professional Liability

Safeguard your financial future: Designed to protect in-home hospice professionals from the cost of claims made against their work.

▶ Coverage Limits

Flexible coverage limits based on your professional liability needs.

▶ Who We Cover

In-home hospice businesses and employees, including home health aides, licensed nurses (including RNs and LPNs), hospice nursing assistants, and personal and respite care companions.

Package Business Coverage

▶ Commercial Property Insurance

Helps protect business property and equipment, including office buildings, office furniture, medical supplies, and computer equipment, from risks such as fire or theft.

▶ Inland Marine Coverage

Offers property insurance coverage for business property that's taken to a patient's home off premises of the business's physical location.

▶ General Liability Coverage

Protects your business from claims involving bodily injury, property damage, or other third-party incidents not related to professional services.

Specialized Coverage Enhancements

▶ **Sexual Misconduct and Physical Abuse**

Helps cover the cost of claims related to wrongful acts involving sexual misconduct or physical abuse.

▶ **Cyber Liability Insurance**

This coverage helps cover expenses associated with data breaches, cyber incidents, and the exposure of confidential patient information.

▶ **Employment-Related Practices Liability Insurance**

Provides protection for certain claims involving employment-related decisions, policies, and workplace conduct.

**Optional
Coverage**

**Workers
Compensation**

**Commercial
Auto**

**Commercial
Umbrella**

**Contact your
insurance advisor**

**Protecting your business, so
you can focus on patient care.**
